

U-SHAPED AIR CONDITIONER

Open the Window for Fresh Air

Introducing the first-ever U-shaped Inverter Window Air Conditioner that allows you to open or close your window while the unit is installed. The innovative design makes installation very easy, and the ability to close the window isolates the noise outside, making it ultra-quiet. The U-shaped air conditioner works with Google Assistant and Amazon Alexa, so you can control with voice commands. Or, control with your Smartphone from anywhere with the iOS or Android app.

Quick & Easy Installation: It includes a quick-snap bracket and can be installed in 3 simple steps.

Long-distance Airflow up to 20 feet: The strong airflow allows you to feel the cold air up to 20 feet away.
